Abbassian A and **Khan R**. Achilles tendinopathy: pathology and management strategies. *Review* 519
Abbott J *see* **James A and –**
Abdelaziz MM *see* **Bhatia P et al**
Abdel-Maksoud M *see* **George S et al**
Abdominal aortic aneurysm
infrarenal: endovascular repair. *Review.* U Sadat et al 151
a lethal cause of abdominal pain: a diagnosis not to be missed. *Case report.* R Durai et al.. 50
management. *Symposium on arterial disease.* NRA Symons and RGJ Gibbs 566
review of endovascular management. *Review.* N Collin et al 146
ruptured: early management, a practical guide. *Clinical practice.* AN Assar M88
Abdominal pain
diffuse: bowel lesions a possible cause. *Corres.* R Durai and PCH Ng 420
lethal cause: a diagnosis not to be missed. *Case report.* R Durai et al 50
Mittelschmerz mimicking appendicitis. *Images in medicine.* R Durai and PCH Ng 419
Abdu TAM *see* **Warlow TA and –**
Abdunabi M, Al-Ganimi A, Singh VK and **Pandit R.** Trauma Online: a computer database for managing trauma load. *Corres* ...361
Abscess, scalp: an unusual case. *Images in medicine.* HL Turnbull et al 297
Abu-Habsa M *see* **Sritharan K and –**
Accident and emergency. *Speaker abstracts.* J Redhead ..... S31(A)
Achalasia: unusual cause of progressive weight loss and dysphagia in a 10-year-old. *Images in medicine.* NS Chew and Y Pasha 171
Achilles tendinopathy: pathology and management strategies. *Review.* A Abbassian and R Khan 519
Activated protein C: should we be using it to treat it severe sepsis? *Anaesthetic and critical care dilemma.* RL Eve and MR Duffy 484
ACUMEN: the Acute Medicine Network. *Corres.* C Gordon et al 301
Acute aortic dissection: killer at large. *Symposium on cardiovascular medicine.* AN Assar and CK Zarins. *Correction* 112
Acute coronary syndrome
can computed tomography improve outcomes? *Review.* LM Boxt and MJ Lipton 459
cocaine-induced myocardial infarction. *Case report.* JM Behar et al 108
Acute ischaemic stroke management. *Symposium on arterial disease.* H Al Mahdy 572
Acute kidney injury
care of patients with: adding insult to injury. *Editorial.* JAD Stewart 372
general management. *Clinical practice.* HK Hussein et al M104
Acute medical unit
early discharge from: is it safe? *Editorial.* A Miller and K Evans 4
optimizing multi-professional working in. *Background.* S Almond and E Myers ....S11(A)
TISS-28 in a teaching hospital. *Poster abstracts.* A Vaidya et al ..... S43(A)
Acute medical wards: adequacy of senior medical care, patient referral systems and subspecialties input. *Poster abstracts.* TA Warlow and TAM Abdu ..... S42(A)
Acute medicine
adherence to the Surviving Sepsis Guidelines: six-hour bundle. *Poster abstracts.* G Agarwal ..... S46(A)
appropriate management of suspected pulmonary thromboembolism in the acute medical unit. *Poster abstracts.* H Bayes et al ..... S48(A)
audit of emergency admissions. *Poster abstracts.* J Osborne et al ..... S45(A)
audit of the quality of upper gastrointestinal endoscopy referrals from a medical assessment unit. *Poster abstracts.* S Brown et al ..... S47(A)
chest X-ray interpretation in patients presenting to medical assessment unit with infective exacerbation of chronic obstructive pulmonary disease. *Poster abstracts.* MJ McDonnell et al .....S48(A)
clinical decision unit impact on emergency medical receiving. *Poster abstracts.* AFB Kernohan and SJ Gallacher ..... S43(A)
do we need to improve training in non-invasive ventilation for acute respiratory failure? *Poster abstracts.* C O'Dowd and H Bayes ..... S45(A)
evaluation of a physiological track-and-trigger warning system for identifying acutely ill patients during the out-of-hours period. *Poster abstracts.* A Patel et al .....S47(A)
how do we deliver this service north of the border? *Speaker abstracts.* R Dijkhuizen ..... S34(A)
how do we deliver this service south of the border? *Speaker abstracts.* H Lawrence ..... S33(A)
how do we measure standards? *Speaker abstracts.* P Aylin ..... S38(A)
how will this change my practice? *Speaker abstracts.* C Godley ..... S39(A)
implementing principles and standards for urgent care. *Poster abstracts.* B Pearson ..S46(A)
interface with specialty. *Speaker abstracts.* V White ..... S32(A)
is at the core of the NHS. *Introduction.* MC Jones and A Langlands ..... S5(A)
medical skills matter. *Poster abstracts.* T Gibson and K O'Kane ..... S42(A)
multi-professional training: how is it optimized in the acute environment? *Background.* MC Jones and L Lees .....S19(A)
palliative care patients in the emergency medical unit. *Poster abstracts.* J Atkinson et al ..... S42(A)
paramedic view of pre-hospital care. *Speaker abstracts.* S Hull ..... S40(A)
Payment by Results national tariff severely penalises efficiency and early hospital discharge – cost analysis. *Poster abstracts.* S Moreea et al ..... S48(A)
pilot study of a rapid access general medical clinic in a Scottish district general hospital. *Poster abstracts.* R Jamdar et al ..... S44(A)
primary care. *Speaker abstracts.* K Lawton ..... S31(A)
RCPE UK Consensus Statement on Acute Medicine, November 2008. *Consensus statement.* A Langlands et al ..... S6(A)
seven days a week service – two quality indicators. *Poster abstracts.* M Mallet ....S46(A)
tension between training and service delivery. *Speaker abstracts.* H Mackinnon ..... S36(A)
training for the future. *Speaker abstracts.* H Skene ..... S40(A)
trends of activity in a large medical admissions unit: a three-year audit. *Poster abstracts.* S Moreea et al ..... S41(A)
unique model of 'ambulatory care unit' in acute medicine (a primary care facility in a secondary care organization). *Poster abstracts.* S Ahmed ..... S44(A)
utilisation of a short stay unit as an acute care area: the case for acute medicine. *Poster abstracts.* C McQueen et al ..... S41(A)
what are quality standards? *Speaker abstracts.* MC Jones ..... S38(A)
what are the appropriate standards? *Background.* D Bell and L Douglas ..... S25(A)
what core skills and core competencies are required? *Speaker abstracts.* P Dyer ..... S36(A)
what do you need to sustain it? *Speaker abstracts.* E Myers ..... S33(A)
what does this all mean? *Speaker abstracts.* R Lilley ..... S40(A)
what is essential? The optimal configurations? *Speaker abstracts.* S Almond ..... S32(A)
what is it and do we need it? *Background.* MC Jones and D Bell ..... S8(A)
Speaker abstracts. B Williams ..... S31(A)
what is the role of geriatricians in the acute medical unit? Experience from our practice. *Poster abstracts.* H Bayes et al ..... S43(A)
who should provide the training? *Speaker abstracts.* P Cachia ..... S37(A)
why do we need standards? *Speaker abstracts.* D Bell ..... S37(A)
Acute respiratory distress syndrome (ARDS), glucocorticoid therapy in. *Anaesthetic and critical care dilemma.* RH Gibbs 665
Adams D *see* **Crosby CT et al**
